TRAINERS SERVICE SALE

WHAT IS A TRAINERS SERVICE SALE?

Trainers Service Sale has been established to help support AOSHO. Participating trainers have donated one month's service of training to AOSHO to be sold to an AOSHO member for \$300.00. As the service is what is being donated there is a \$100.00 charge to be made payable to the trainer to cover the cost of board.

HOW CAN THE TRAINER SERVICE BE PURCHASED?

It may be purchased at any time and must be used within the same calendar year of purchase. The service of a trainer is to be sold only once in a calendar year. The service is bought on a first come first serve basis. The trainer has the right to buy him/herself out with a donation of \$300.00 payable to AOSHO, or to reserve the spot. The trainer will not be marked sold until service is paid for.

HOW DOES THE TRAINER SERVICE SALE WORK?

Once you are the official buyer of the service it is up to the purchaser to contact the trainer. The month that the training is used for is between the trainer and the purchaser. When the date is agreed upon the purchaser will owe the trainer \$100.00 for the cost of board. The person that buys the month of training MUST be a current member of AOSHO.

HOW DO YOU KNOW WHAT TRAINERS ARE AVAILABLE?

The list of available trainers will be listed on the AOSHO website, you may also call Nichole Roman at (740) 819-7955. Trainers that have already been sold will be marked accordingly.
